## **OVERVIEW**

River Heads Fishing Club Inc ( RHFC ) was formed in mid 2009 by a group of four local fisherman. Currently having 40 members, which comprise of men, women and juniors with a varied age group – all of whom actively enjoy their fishing.

RHFC is also associated with ( and all its members are presently also members of) the River Heads Progress Association Inc ( RHPA ), which enables us to fully utilise the River Heads Community Hall and all of its facilities.

RHFC and its members are part of QAFCA Inc (Queensland Amateur Fishing Clubs Association Inc) which is the parent body of 7 divisions and more than 100 clubs which is a diverse group which include competitive anglers, fish stocking groups, fly fishers, kayakers, as well as those who simply want to enjoy fishing as a social pastime.

Our aim is to be an effective fishing club without too many formalities. It is a great opportunity to meet a friendly group of people with similar interests. We focus on learning from each other.

RHFC welcomes all men, women and children from the Fraser Coast area. You do not have to reside in River Heads to become a member.
